The su; .ior merits of the "SINGER" Machines over all others

hitherto manufactured by this Company, has gained and maintained the world over, and for years past, an unparalleled reputation and sale. But, notwithstanding the excellence of this Machine, we have now to ausoupce that it has been superseded by our NEW PAMILY MACHINE,

NG-MACHINE IN EXISTENCE. The machine in question is SIMPLE, COMPACT, DURABLE, and BEAUTIFUL. It is QUIET, LIGHT-RUNNING, and CAPABLE OF ERFORMING A RANGE AND VARIETY OF WORK never before stempted upon a single Machine, using either Silk, Twist, Lines, on Cotton Threads, and sewing with equal facility the VERY FINEST and coarsest materiais, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for HEMMING, BRAIDING, CORDING, TUCKING, QUILTING, FELLING, TRIM

AND CABINET CASES, peculiar to the Machines manufactured by this Company, have been prepared for inclosing the New Machine. These are gotten up in every variety of wood, such as Black Walnut, Mahogany Rosewood, and the like, and from the plainest to the most elaborate pattern and finish, the Machines themselves being more or less highly. rnamented, to correspond with the Tables or Cablacta for

But a faint idea, however, can at best be convered through the medium of a (occassarily) limited advertisement of this PARAGON OF PAMIL'S MACHINES, and we therefore urgo every person is quest of a Sewing-Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase.
